

Notes prepared by Sue and Barry Thornton from meeting at Swan Inn on 12<sup>th</sup> October 2016

EDUCATION As there is currently no form of transport provided, pupils are at present taken by car or maybe car share. It was decided that maybe a survey would be required to ascertain which schools pupils now go to and if a minibus could be an option.

HEALTH Patients have a choice to which surgery they attend so a survey has been suggested in order to obtain which surgery's these are. Awaiting a reply in respect of increase in figures. Also a questionnaire was suggested to be sent to surgery's to ascertain the impact extra patients would have on them.

DRAINAGE & DITCHES Maintenance of ditch's and drainage to be sorted and this is being followed up with TBC.

CYCLE LANES Sarah sent apologies as she was unable to attend meeting.

CONSERVATION There is currently no conservation area but part has been classified as an area of special interest. This to be followed up with TBC and also maybe the possibility of extending green belt.

FOOTPATHS Brian Bramley will determine these. On his return from holiday Brian will check out which ones are passible etc.
